# Waveland to

By WAYNE DUCOME JR.

Waveland residents will soon pay higher gas, water and sewerage rates. Mayor John Longo revealed at a Tuesday night City Board of Aldermen meeting the increases will belo digst higher natural gas prices and the cost of revenue bonds for an almost 3 million water system expansion project primarily serving the US-90 commercial area.

primarily serving the US-90 commercial area.

Barbara (Rappold) city clerk and alderman said the increases will be effective Oct. 1.

Longo reported (the monthly rate increases will impose a)

—Natural gas minimum charge of \$9 compared to the present \$7.95 rate with the price-per-100-cubic-test to be raised from 65 cents to 75 cents;

—Water service charge of \$5.95 for the first 5,000 gallons used as compared to the present \$6.95 (rate) for 7000 gallons 50 cents will be charged for soor; 1,000 gallons exceeding \$5.005 gallons;

authorized the sale of \$930,000 of Farmer's Home Administration bonds offered to the city at an annual five percent interest rate.

percent interest rate.

Just after the formal meeting,
Alderman Louis Smolenaki said
although rates will increase, the water
system extension will boost pressure

citywide. He also reported Waveland resident's ce rates might decrease as

a result of the extension. In a related matter, Luclei Gez, city attorney and judge, reported he is attempting to secure a terrer line easement from US20 property owner Johnny Newmeyer for the extension. He also reported securing one

easement and negotiations with several other property owners are underway, but the attorney did not reveal the in-dividuals or companies involved:

The board accepted a City Planning

and Zoning Commission recom-mendation to recone several acres of property at the southwest corner of US-90 and Wavelend Avenue Corner of USand Waveland Avenue

Rappold said the property formerly owned by Dr. D.J. Eagan was recently gold to developers, who requested acreage along the avenue be rezoned for commercial use, and the western portion of the property be classified for millé-family units. multi-family units.

# Agents locate moonshine

By BRENT MACEY

A still located in the Fenton Com-munity and two gallons of moonshine in a Catalioula bar were destroyed Friday by agents from the United States Alcohol, Tobacco, and Firearms Bureau along with agents from the Mississippi Alcohol Beverage Com-

Chris Cuyler, resident agent in charge of the AFT's 12 southern Mississipp counties said no arrests have been made.

"We didn't feel they (the accused) would try to flee the jurisdiction so no arrests were made," he said.

We will now present the case to the

U.S. Attorney General's Office," he

U.S. Attorney General's Office," he stated.

He added arrests of Murition Ledner of the Fenton Community and Oswald Ladner, of the Catanoula Community will be made when and if an indictment against the two are handed form, by the attorney general's Office.

Cuyler said the agents discovered the still and 79 gallons of him tax-paid whiskey (moonbillee) on Murtion Ladner's property.

The still was located some two miles off a dirt road in wooded area. Cuyler said the agents believe the dirt moad is named Ladner Road.

Components of the still destoyed by the agents included 18-40 gallonbarrels, 10 of which were filled with

mian, one 40 gallon copper boner, ave slifelilon condensors, and a two gallon copper doubler.

Civier said the agents destroyed the

Two officials received and large of the project to seast, The Road Company has 14 productions to its credit. demand letters

Five of the six former and current Hancock County School officials Wednesday declined to comment on a demand letter recently malled to them by the Mississippi State Auditor's Department.

That department recently mailed letters Monday demanding the school officals repay the school district over \$345,000 for money spent on repair work at tornado damaged Gulfview Elementary School in 1980.

Johnny Banks, one current school board member expected to receive a demand letter, was not present at Vednesday's meeting.

tter

Board member Monvel Cuevas said don't know that much about it. I "Until then I would liked to refer

Board Attorney Joseph Gex, who entered the room as Cuevas was preaking, also declined to comment.
Of the six officials who were expected to receive letters, only board members Woodrow Ladner and Cuevas said they

had received theirs. School Superintendent Billy Sills, former board member Oris Ladner who was present at the meeting, and current board member Louis Ladner, said they

have not yet received a letter.

The six are collectively responsible to repay \$45,859 to the district within 30 days of receiving the letter, a spokesman for the Mississippi Attorney General's office said last week will file civil suit against the officials if the money is not repaid.

Six percent interest on that money is also requested to be repaid. The interest is retroactive since repair work began at Gulfview.

Two of the school officials, Sills and Woodrow Ladner, are honded for \$10,000 by the United States Fidelity and Guarantee Company through the Hancock Insurance Agency in Bay St.

Dick Kosbab, manager of the Agency, met with the members in executive session to discuss their in-

Gex justified the executive session by stating "The session will concern possible litigation and liability."

"Help all of us enjoy a pleasant Labor Day holiday by driving

safely, and obeying the law," Butler said.

Heksaid days-off for traffic enforcement officers had been cancelled so that extra patrol officers would be available for duty during the boliday.

Justice Department attorney's letter on surf hole insults intelligence

Sea Coast Echo

Dear Sir On August 17, 1981 I received a letter in reply to my inquiries of President Reagan concerning the Rederal Government's position and intentions relating to the Wayeland Surf Hole. The reply came from Major General E. R. Helberg, III. Director of Civil Works Department of the Army and appeared in Letters to the Editor. Sea Coast Echo on August 20, 1981. The good general informed me that

the U.S. Government would take no sand in the matter while there its pending litigation against them and referred me to Mr. Jim Lavis of the U.S. Department of Justice.

Mr. Lewis is, the strongy representing the U.S. in this matter. I wrote Mr. Lewis and received the enclosed reply yesterdy.

It is very clear at this point that the back has made a complete circle and is ready to start on its way around the table again.

able again.
The promise that the buck would stop with the President seems to be yet

Labor Day weekend is looking us in the face again, seems it was only months ago:

The annual fireworks display by the Waveland Civic Association will be Sunday night at 8:30 p.m. on the Garfield Ladner Memorial Pier.

It is a free display and we hope many of you will bring the children out to see the big display.

The Waveland Civic Association in cooperation with the Han-cock County Board of Supervisors, Cities of Waveland and Bay St. Louis bring us this spectacular event:

The Jerry Lewis Telethon sponsored by the Waveland Civic Association, with Jimmy Lagasse Jr. as chairman, will be from 5 p.m. Sunday through 6 p.m. Labor Day:

The pledges go to Muscular Dystrophy. The event is sponsored annually by the local organization.

Many of the people you know will be manning the telephones for the benefit and volunteers are welcome to help.

## Dogwarden's family defends operation of Bay Animal Shelter

August 24, 1981

Editor The Sea Coast Echo Bay St. Louis, Miss

Dear Sir Land took and the Land took of the

I have read for weeks now to the controvers over the antique labeler. I can no longer keep from voicing what I know for a fact.

My husband took over the job of dog warden for Bay St. Louis on June 11.
1981. Now Lamnot denying the fact that a new shelter is needed, but I have heard nothing but how terrible this situation was. Not one good thing hear there relayed.

been relayed.

First of all, I have animals that came First of all, I have animals that came from that shelter and norte of them are sick, were stick to have ever been sack.

For three solld days my husband, myself and our teenagerson pulled weeds that were two feet tall from a coulid the whole feeded area. In trops us days to clean out the size that it selects to the most the size that it selects to the animals could have shelfed. It is the size that it selects to the size that it selects to the animals could have shelfed. It is not have any and Sunday.

Str. my husband in fact my whole shelf the size that they were not at the six that there was not be said to the size that it selects to the size of the size of the said and so that the size of the said and the size of the size of

evailable to the animals.

My husband, every single night, went to that shelper as all hours of the night, and as late as a an, to check on those dogs, to make sure they were all right. He cared about them that much, The animals were fed daily.

Granted again, a new shelter is needed and one is in the process, but do not think the have to be told about the old one. The animals were not starving they were averaged and fed daths.

starving, they spore, watered and feel daily. Any starving animal was one that had just been hicked, in our life, start and we had not had the chance to ferling it in yet. No one loves animals in our family. We lave 13 cats and loss.

These are some of the things my

husbands requested from City Hall: Sevin dust, weekly mange dip, tick dip, new hoses, disinfectant weekly, 150 pounds dog food every two to three

pounds dog food every two to three days, fly spray, fly strips and etc.

He was never refused any of these things facility Hall, immediately, came forth with these withings. Granted, the Humans Society also helped in any way they could, with sick or burt animals, cages, whatever they could, they helped II people can say the terrible things I have been hearing and reading in the paper, about the present shelter I just wonder what they would say about the shelter before my husband became dog warden.

My husband almost weekly is called out at 10p.m or later and I would like to say there was never not sometimes both of us were not at the shelter. Due dog to warden.

whose such all to the property of the animals. I believe if all concerned would stop trying to throw the blame of such other and work logether their everyone could accomplish what is.

Mayor Bennett has never denied one request my husband presented to City Hall: I am sure the records could verify

I, Sir, am a Christian and I also know that mud-slinging is not the answer to any problem. My sole purpose in writing this letter is that enough lies and insimulations lieve been made and I feltif was about time the truth was told.

Dear Sir.
May I take this opportunity to commend the Ecto for devoting so much space to articles on animals and for their "pinsip" pictures of adoptable pups and kittens.

These articles are snloyed by many animal loyers and we thank you.
I am dismayed however by the

making letter written by Ms. Joe Pilet criticizing these practices.

We are forever seeing articles by her in the Echo, yet I have never seen a letter of complaint in regard to this. So now about it, Ms. Pilet, keep up the good work or your articles, yet have a little consideration, for people with enjoy animal articles.

Respectfully Geralyn Richardson Bay St. Louis

### Joe Pellet (sic) could use the love of a good dog, reader feels

Think the Himmane Society is doing a fine 10b. Keep up the good work, girls!

Let us hear more on dogs, I think it is a shame low some people treat dogs, I read in the Sunday paper a letter threw them away, let them starve or Joe Pellet (sic) had about dogs.

I have a dog and I love her dearly.

She's there waiting for me when I come home. She's happy, to see me.

Don't you know they have teelings!

God wouldn't have put them here.

Articles

#### Articles on dogs bother Highland resident more than dogs themselves

Sept. 1, 1981 Bay St. Louis

Dear Editor:

I cannot take credit as being the originator of the idea which will be set forth in the following paragraph.

The lady who would like to see a group of humanitarians organized for the purpose of Saving the Fless is a busy housewife with a paint time job. She further has a yard to keep and children to educate and train. However, thoughts are worthy of consideration.

sideration,
She would like to see more consideration given to dog fless, Perhaps it
might begin with an sourcational.

Fise to Society.
Who knows? Perhaps they may be the source of the long sought cancer cure. On the other hand, dog fiess may be nature a plan for keeping population of humans in belance.
Has if not been proven that fless carry the germs causing plague and cypius?
Fiess live on man, cats, dogs; rats, hinds, as well as many wild animals.

INFORMATION ON AGENCIES, SUPPORTED BY THE UNITED WAY. OF HANGOCKIGOUNTY

Thatyes to you, our contributors, that we are able to admit two new agencies in 1980. The SALVATION ARMY and the MISSISSIPPI COUNCIL ON EPILEPSY, and we are proud to tell you the United Way of Hancock County was the first in the State to admit the Epilepsy program.

#### WHAT IS THE UNITED WAY OF HANCOCK COUNTY!

the United Way is a fund raising service information, communication and educational organization which belongs to the people of Hancock County. It is your instrument of local charity. It represents the fair share contributions of our people given in a single campaign to the organizations included in the Fund Your United Way of Hancock County and it's agencies work on a day to day basis to assist our people with their human deeds.

#### WHO OPERATES THE UNITED WAY!

A Board of Directors, all volunteers, selected by our contributors. The United Way of Hancock County is controlled and operated by it's own peo-

#### HANCOCK COUNTY BLOOD BANK

Since 1953 this important local organization has been working with our people to give blood; which is drawn and stored by Red Cross. Because of the work of this agency many lives have been saved. The Blood Bank keeps us aware of the need for donating blood, and the need is great.

#### HANCOCK COUNTY EMERGENCY RELIEF FUND

This Fund operates round the clock under the direction of the Clergy of Hancock County, to assist local and transient persons with emergency needs. Help is given in the interim period while awaiting assistance from other charitable and service organizations.

#### GULF COAST MENTAL HEALTH CENTER

They operate two treatment centers in Hancock County, also conduct training school for developmentally disabled adults. Their services cover a wide range of assistance to persons of all ages whose lives are disrupted by mental and emotional illness.

#### MISSISSIPPI COUNCIL ON EPILEPSY, INC.

Formed to help deal with problems of epilepsy, better the treatment and every day lives of those subject to some form of epilepsy. They also work to increase public knowledge of it's causes and effects. There are over 380 cases in Hancock County alone.

#### AMERICAN RED CROSS HANEOCK COUNTY CHAPTER

ne**strandirener program is always in readine** have spent millions of dollars in Hancock County following Camille. Betsy and other local disasters. Red Cross conducts classes in swimming, water safety and first aid. Round the clock assistance is given to those in the military forces, their families and to the veteran. They work closely with the Civil Defense Program.

#### Eye bank explains donation procedure

Kineey, excitive administrator of the Lions Eye Bank.
The first step, Kineey said, is to secure an eye doner pledge card from any Lions Clash member in the state. The prospective donor marely fills in his name and address to the bard, signs it, and malls if to the eye bank.
The pocket identification card, stached to the piedge card is dept by the donor.

## Briefs

Pledging one's eyes on death to the dississippi Lious Eye Bank for sight-restoring corneal transplant operations is a simple procedure, explained Judy Kinsey, exsentive administrator of the Lious Eye Bank.

The first step, Kinsey said, is to secure anyeye doner piedge card from any Liquis Glab member in the state.

The prospective donor merely fills in this state, the prospective donor merely fills in this state, the possible that his wish lift and malls if to the eye bank.

The Docket identification card asimportance: she said, that the eye to notified prumply after the deal dance, because the eye tissue on ed within six ho

removed within all hours after death if it is not been in a signification for an artificial form of the death of a done, the eyechank funder all further artifications of the death of a done, the eyechank funder all further artifications are encounted.

— encountered artifician transportation of

#### SENIOR CITIZEN PROGRAMS

The staff of this Multi-Purpose Center is there to asset Senior Citizens with

homes: Among the programs provided are Bay Care Recreation Transportation, Arts and Crafts, Education, Travel, Friendly Visitation, Hot. Meals and information and Referral. Because of the assistance being given: our seniors many lives have been enriched and changed

#### RETIRED SENIOR VOLUNTEER PROGRAM - RSVP

This very exciting and successful program channels the energy and ex perience of volunteers sixty years of age and older into activities which contribute to the life of Hancock County. Three hundred volunteers are now supplying urgently needed services in our Hancock County community.

#### CATHOLIC SOCIAL SERVICES

Their social workers handle cases in the homes which involve the entire family, filling a great need in family counselling, family enrichment, marriage encounter, family relationship and human relations. They work extensively, with the unmarried Mother, handle adoptions and provide foster homes for children. Their services are on a non-sectarian basis.

#### SALVATION ARMY

For transients they provide overnight lodging, meals and clothing, Transport tation is given to families in certain instances, and they are helped by counselling and referral. For local emergency needs, food, shelter and clothing is provided and they also assist with medical prescriptions and other means of assistance

#### GOODWILL INDUSTRIES

Their Bay St. Louis Store gives handicapped persons an opportunity for gainful employment. The organization is dedicated to the reliabilitation of physically, mentally and emotionally disabled persons. Your donations of good wearable clothing and repairable household goods fill a great need to those persons in the community who cannot afford to purchase new items.

#### U. S. O. (WORLDWIDE)

This organization provides a home away from home for military persons and their families. The small contribution we give them represents our share of financial assistance for the help they give our local men and women in the armed forces

GIRL SCOUTS GULF PINES COUNCIL
There are seven to the place of the council with 250 ocal girls in the seventeen Hancock County troops, under the leadership of 100 adults. The girls enjoy furn fellowship and preparation for young womanhood. Camp Ita Kana provides wonderful weekend and summer vacations.

#### BOY SCOUTS CYPRESS DISTRICT

Boy Scouting is a character building preparation for adult life. It provides a boy with training, while he enjoys adventure, fun and companionship under father leadership: Hundreds of Hancock County boys participate in scouting throughout their growing up years. Their camp "Vee Bar" is one of the finest in the country. The Paris Street A 5457 15

#### FIREMEN'S DOLL AND TOY FUND

At Christmastime each year ounlocal firemen play Santa Claus to the needly children of the Waveland and Bay St. Louis area and local people in these two cities supplement the United Way contribution to supply the funds. Merchants are most helpful and RSVP volunteers assist with the prepara-tions. In fact this is a most joyful community project.

# Liquid Assets Fund

Put Your Cash To Work On A Daily Basis At A High Rate Of Interest:

The Southern Federal Liquid Assets fund pays more than twice the interest your cash reserves are now earning in a passbook savings or checking account. And this rate is fixed for up to 69 days from deposition and the same of the same deposit, regardless of interest rate changes.

**\$1.000** and over

#### EASY ACCESS: YES

Your cash earns interest on a daily base. No penalty for early withdrawal. No early cancellation charge.

SEGURED INVESTMENT: YES

# Man can't matth. ognatie anties of animals born with diving gear

But according to tranger to right amount of the first what we were, we imply can't match the samply can't match the Ranger Rick. Then they aduatic abilities of those rather gracefully half swin special diving genr. pecial diving genr. bottoms.
These super swimmers. The hipopotamus special diving genr.

wet suits: Humans will don some strange-looking the heavy clumsy tooking equipment in order to feel hippo be classified as a super more at home in the water, swimmers Tsy holding in just Rick's Nature Macking.

Diving Sea Light

Dolphins — Found in most of Greek — must spend most of adults to review the following the structure of the control of the cont

lion can swim as tast as 20, the ky water miles per hour, reports a Some warieties of penguins

ther in the dark water. The land!

dolphin's eyes are covered with thick buter layers and a seek, streamlined body and gland secretes an oily liquid which bathes the outside of the eyes.

"The layers and the liquid protect the dolphin's eyes so, the saity sea water won't make them sting," explains the National Wildlife Federation's monthly specialized birds no fly in a publication for children.

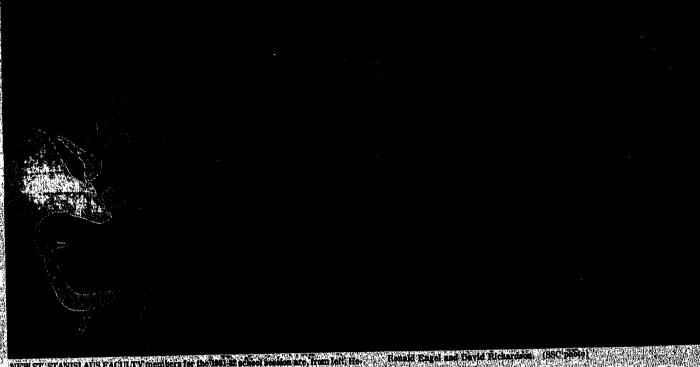

Although it must come to the surface to breathe, the dolphin can store much more air in its lungs than a humin can Wien hunting for tish of squild, it can miles per hour. Pangain

can store much more air inits water swiftly. A gent of lungs than a humain can. When penginin can swim as fast as 22 hunting for lish or squid, it can miles, per shour. Reingailly dive to depths of up to 800 feet. Sea Lious — Like dophius. Sea Hous have streamlined rigid, and overlapping the lodies and bulkin filippers. Sea hunting the feathers and a layer of fast with powerful strokes of beneath the skin keep the those big front filippers, a sea hirds from freeding to death in

Ranger Ricki spend months at sea, straying The sea lion's hind flippers, onshore only to breed, lay

The sea lion's find flippers act as a rudder, to keep is on eggs, or molt while diving to four ourse or help it change direction.

When pursued by an enemy, seal flow pursues a control water and the pursue of water through the creat of water offence. This method of 'body-surfling' also performed by dolpains, uses less, seering than swinning below the water for my to 2 minutes and can describe a manual property of the same assessment of the water for my to 2 minutes and can describe a seer see the feet, although a trained can describe a seer see the control water and can describe a seer see the feet, although a trained control of the water for my to 2 minutes and can describe a seer see the control of t

# Young hunters prepare

# for accident-free season

The hunting season offers outh who have participated the 4H firearm and hunter lafety program an op-portunity to practice their kills, says Dr. Ross Shelton, wildlife specialist, Mississippi mildlife specialist, which Ser-

With thousands of people njoying minting with friends nd relatives, young, safe inters can take the lead in syoiding accidents, he says.
Shelton, reminds hunters and around private homes and a Neven pull a gun toward Schicles. He urges couth and vehicles. He urges youth and you by the muzzle.

Treat, every gun with the respect due a loaded gun.

Watch that muzzle! Carry your gun safely. Keep the safety on until ready to shoot use, take down on have actions safety program is conducted by 4-H and the Mississippi

Be sure of the target before you pull the trigger Know identifying features of the game you hunt.

shoot/Ayotd all/horseplay.

Never climb a tree of fence of jump a ditch with a loaded guit.

Never short a builet at a side, burd muriane severales At the control of the cont

in cases to shooting area.
